

TREASURE HUNTS FOR FAMILY IN VENICE

THE OFFERS FROM VIVOVENETIA

- The hidden treasure
- The witch hunt
- Snakes and ladders

THE HIDDEN TREASURES

During the restoration work of an old house on the Grand Canal, an ancient parchment was found hidden in a bulb among the foundations.

Who will be able to solve its mystery?

Venice is scattered with clues, numbers, inscriptions, and magical signs that, if discovered and interpreted correctly, can guide you towards solving the enigma.

From St. Mark's Basilica to lesser-known attractions, explore the city and uncover the mystery of the hidden treasure!

Departure: Campo San Geremia (near train station).

End: Piazza San Marco

Small prizes will be offered to children.

WITCH HUNT

In Venice, a wicked witch has cast a terrible spell!

Help us disarm the mechanism capable of stopping this curse through puzzles, maps, and historical legends.

An ideal itinerary to introduce Venice to children while having fun! They will discover curiosities related to the city's history and its legends.

Throughout the journey, which includes St. Mark's Square and the Grand Canal, the guide will be there to perform and tell the stories.

Departure: Piazza San Marco

End: Rialto Mercato

Small prizes will be offered to children.

SNAKES AND LADDERS

This city snakes and ladders is ideal for making a visit to Venice with children special. It's the classic board game, but organized around the city as if it were a treasure hunt!

It can be an interactive gaming experience, where children can visit the city and learn while having fun. All of this is always done safely, as they are accompanied by our experienced guide.

At the end, we will give the children the actual snakes and ladders we used in the city.

ADAPTED FOR FAMILIES WITH CHILDREN AGED 4-12

The treasure hunt takes place on foot through the city's narrow streets. Depending on the number and preferences of the participants, the tour will be structured in two different ways:

OPTION 1: A single team collaborates to decipher the clues and solve the puzzle. In this case, the game tour includes the constant presence of the guide, who will act as the game master!

RECOMMENDED FOR FAMILIES WITH CHILDREN!

OPTION 2: Participants are divided into teams by the guide, who will meet them at the beginning and end of the game. At each stage, the teams will compete to solve the puzzle. The guide will only be present behind the scenes to coordinate the game and will intervene remotely via WhatsApp!

Duration : 2 heures **Meeting point:**

- THE HIDDEN TREASURES: Campo San Geremia.
- WITCH HUNT : Piazza San Marco

Useful Information: the hunt is adapted according to the age of the children. Adaptation of starting points and other customizations require a supplement.
